The Custom Village Bike Show Application

at Brackley Festival of Motorcycling – Sunday, 13th August 2017

Terms & Conditions Please Read:

There are limited spaces available for Show-Bikes within the Custom Village. This means that not every application may be accepted, however, this is not a reflection on your motorcycle and if your application is not accepted, you may be able to enter the show via the ride-in selection from the Custom Corale Carpark at the Festival on the day.

All Show-Bikes must be registered, insured and able to be ridden on public roads. All Show-Bikes and their owners, selected through the application process must be on site for 8.30am and must be able to stay until 6pm, (this is due to vehicle movement restrictions on site). Owners must be available from 4pm to ride in the 'Custom Village Parade' on the High Street before the prizegiving ceremony.

All Show-Bikes are the responsibility of the owner and although we will take every reasonable precaution, Brackley Festival of Motorcycling, Twisted Iron and Sickboyz Customs take no responsibility for theft or damage whilst on site.

Please complete the details below and email the completed FORM along with PHOTOGRAPHS of your motorcycle including any build photographs you may have, to info@twistediron.co.uk by Friday 28th July 2017 to be considered for the application process.
